

2007-2008 Pastoral Recommendation

(for students entering Grades 7-12)

Heritage Baptist Academy's purpose is to train Christian young people for Christian service. The Academy is a Christian education institution dedicated to the spiritual, mental and physical development of young people. The Academy door is always open to families who desire to have their children receive a quality Christian education in a Christ-centered environment. In keeping with these goals, students attending HBA in Grades 7-12 are *required to be in faithful attendance in a local church*. To help Administration in choosing students serious about obtaining a Christian education, secondary students are asked to provide this recommendation. Please fill out the upper portion of this recommendation. Ask your pastor to complete the remainder.
